Lecturer in Animal Nutrition Expert, Nong Lam University

To Whom It May Concern:

I am writing this letter to share my professional experience collaborating with Nguyen Tan Thanh (Adrian Nguyen) as a Personal Brand Strategist.

In our partnership, Thanh played an essential role in expanding my digital presence across diverse audiences. He provided comprehensive support, from developing professional content for the niche feed industry on LinkedIn to building and engaging large-scale pet lover communities through short video format on TikTok, Facebook Reels, and YouTube Shorts.

Through this collaboration, we achieved several impressive milestones that exceeded our collective expectations:

- LinkedIn Growth: Achieved a 29.1% increase in followers and a 3.78% engagement rate.
- Short Video Performance: Generated ~400K total views across platforms within just 3 months.

Beyond the metrics, I highly value Thanh's personal attributes. He is a patient collaborator who possesses an ability to listen and transform my raw ideas into reality. His dedication and creative problem-solving skills make him a valuable asset to any team.

I strongly recommend Thanh and would be happy to provide further details if needed.

Best regards,

Ngo Hong Phuong
